IMPORTANT REMINDER: Our next PUPIL FREE DAY is tomorrow, FRIDAY 7TH OF JUNE. Professional training throughout the day will focus on developing student curiosity and the skills of inquiry. Students do not attend school tomorrow.

Dear Parents, Staff and Students,

Thank you to all the families who have entered this week’s Family Maths Challenge. This week’s Challenge again provides families with an opportunity to spend a few moments sharing their mathematical knowledge. We encourage everyone to have a go, maybe even do some further investigations on the internet to satisfy their curiosity!

Last week our Maths Olympiad team completed the first challenge in this year’s competition which involved some very tricky problem solving tasks. Through their responses they showed great perseverance and problem solving strategies. Great work!

At last week’s assembly we heard from a number of our Year 1,2 and 3 students about their experiences at school. All spoke with great confidence and clarity. Well done!

It is hard to believe that we are almost halfway through 2013! At this time it is important for us all to reflect on our achievements so far and plan strategically for the future. Our mid year Reporting Process is well underway, with students to receive their Mid Year Reports on Friday 21st of June. Due to the introduction of the Australian Curriculum (AUSVELS) there have been some minor modifications to the report document you will receive. These will be outlined in next week’s newsletter. Please note that in response to community feedback our next parent Teacher interviews have been scheduled for week 5 during Term 3.

2014 Enrolments

Our 2014 enrolment has commenced. This information allows us to commence planning for the coming year. As the number of student enrolments determines staffing and classroom numbers, it is vital that we establish student numbers for 2014 as early as possible. When enrolling a child, please bring proof of age (e.g. Birth Certificate or Passport) and a School Immunization Certificate.

Information regarding immunization certificates can be found at: http://www.medicareaustralia.gov.au/public/services/acir/keeping-track.jsp

These school holidays the CSIRO Science Education Centre is offering a fun filled day of entertainment.

Junior, Senior and Little Learners programs are running, you must make a booking please visit our website; www.csiro.au/VicHolidays activities and prices are available to view on our page.

Sunbury Basketball Association is looking for new players of all ages, both boys and girls from 6 to 17. All players welcome and if you’ve never played before we’ll teach you how!

It’s a great way to participate in a team sport, learn new skills, get fit, be active, make new friends and have lots of fun. Games for under 8 and 10 are played on Tuesday or Wednesday and under 12 to under 18 games are played on Saturday. For more information contact Belinda Hill on 9744 4762 or by email executive@sunburybasketball.com.au

SCHOOL BANKING...

There’s still time for your chance to win a $5,000 family adventure holiday!

There are still 4 weeks left for you to be part of this

First prize: $5,000 family holiday to anywhere in Australia with $500 spending money and $5,000 cash for your school.

25 Runner Up prizes are also up for grabs. These kid’s adventure packs valued at over $700 include a Wii U, Razor eSpark electric scooter, walkie talkies, night vision goggles and an underwater digital camera.

Banking Day is every Tuesday.
This is 5/6C in our school garden planting plants. The students thought that it was a fantastic experience and can't wait to see them grow.

It's so fun to help the environment and learn about plants!

I love planting plants because I'm in garden club.
