Dear Parents, Staff and Students,

Welcome back! Our Term 4 calendar accompanies this newsletter. Please read it carefully to be sure that important dates relevant to your children are not overlooked as the final term plans to be a very busy one with a range of learning opportunities and transitional programs in readiness for next year.

We would like to congratulate Laura Edwards on being awarded joint winner of the Upper Primary category in a recent creative writing competition on mental health. On Monday Miss Zemunick accompanied Laura and her family to an award ceremony at Deakin Edge Theatre at Federation Square. Great work Laura!

Next Thursday we welcome local Councillor Steve (Jack) Medcraft to Kismet as part of the ACER ‘Principal for A Day’ program. The ‘Principal for A Day’ program is a Victoria wide event which provides business and community leaders with the opportunity to experience first-hand a normal day in a government school. The program also aims to create connections between schools and local businesses. Have a great week!

ART DISPLAY AT SALESIAN COLLEGE TONIGHT!

The Visual and Performing Arts will be celebrated at Salesian College Sunbury in a stunning showcase of student work on the evening of Thursday 10 October, 5 till 7 pm. On display are exciting Dance, Drama and Music performances from students who have been honing their skills, many in preparation for their upcoming VCE exams. Audience members can roam between artistic events including busking, improvising, hip hop and contemporary dance, along with choir, orchestral, pop, rock and jazz music.

This is a great opportunity for prospective students and interested parents to find out exactly what’s involved in these disciplines.

In an exciting first for Salesian College, there will be two new prizes awarded: the Rupertswood Art and Dance Prizes. Entries for both will be on show and are open to all Salesian students.

The Art Competition will be judged by a local artist, with a prize of $100 and $25 for the runner-up. Entrants must creatively interpret the theme of “Our Precious World”. This could encompass ideas about climate, nature, the interconnectedness of different and far-flung communities, the future of the planet, globalization, the links between cultures and many more interpretations.
