Dear Parents, Staff and Students,

We have some fantastic activities happening next Friday 30th August as part of Better Buddies Special Events and our PTA Father’s Day Breakfast. The day will commence with what has become an annual event of bringing Dads/Grandads together with their children and/or grandchildren to share a meal and spend some quality time in classrooms. There is also great excitement about our Better Buddies Cultural Day where students will be invited to come dressed in attire or a particular article of clothing that reflects their cultural background. Otherwise students may prefer to bring an item or artefact that depicts an aspect of their cultural heritage.

At 9.30am everyone will be invited to a Special Morning School Assembly (including Mums) to see our students in their Buddy Groups and wearing cultural attire or carrying a special cultural item to display for all to see and participate in songs and dances that reflect the different facets of our school community.

The students will then remain in their Buddy Groups to share in indigenous storytelling and folklore as well as share knowledge and items of interest to gain an appreciation of the richness and diversity of cultures in our community. So please come along to help make next Friday a great success! Our thanks also must go to the PTA members and their wonderful band of volunteers who give so generously of their time to make these occasions memorable.

Cyber Safety Parent Information Session
Thank you to the 10 parents who attended Tuesday’s Cyber Safety information session. The presenter, Kylie Hemjak provided parents with some valuable insights and useful information to ensure their children use social media wisely and safely. Our teachers reinforce both the benefits and pitfalls of online communication on a regular basis but we also appreciate parental support and close monitoring of what your children are doing at home.

Chat to Champ – 2014 Olympic Winter Games
As a fantastic example of good use of online communications, Miss Gilbert’s Year 5/6 Class (5/6G) will participate in Chat to a Champ this year. Students in her class will be linked with an athlete to follow online; reading their blogs, looking at personal images and videos, following competition performances and chatting with them in a web video conference in Terms 3 & 4 of this year. Then during the Games (Term 1, 2014) the class will have an exclusive chat with their athlete, live from the Olympic Village in Sochi, Russia. We look forward to hearing about the athlete’s preparations and lead up to the Games as well as hearing about the amazing experiences and following their progress at the 2014 Winter Olympic Games.
