Dear Parents, Staff and Students,

We are all very excited about tomorrow’s Better Buddies Cultural Day when we all have the opportunity to celebrate our family heritage. During our special morning assembly which commences at 9:30am Senior Wurundjeri Elder Mr Ron Jones will perform a Welcome To Country and talk about local aboriginal history. Miss Kylie Spencer will present a traditional aboriginal dress that she designed while Shaelyn Connor and Mrs Brenda Connor will provide a display of Irish dancing. This will be followed by a performance by our Dance Group and a whole school Heel and Toe Polka. We look forward to seeing and hearing stories of our family histories.

Of course we also look forward to tomorrow morning’s Father’s Day Breakfast. With over 350 dads and children coming along it is going to be an exciting start to the day. Breakfast for those who have replied to PTA’s invitation and paid will be served in the Gym from 7:45am with classrooms opening from 8:15am. Thank you to PTA and all who are assisting with this great event.

The morning’s program will be:
7:45 – 8:30am Breakfast
8:15 – 9:00am Classrooms open
9:00 – 9:25am Fathers prepare gym
9:30-10:30am Buddies Assembly

Regards
Glenn and Diane

SunSmart Reminder
No Hat No Play from Monday 2nd September

From Sunday 1st of September here are 5 things to remember...

UV levels in Victoria are on the rise again so from September it will be time to grab your sun protection gear and do the SunSmart Countdown. Whenever UV levels reach 3 and above, sun protection is needed because that is when the sun can start to damage skin and eyes and lead to skin cancer. Use a combination of the following five sun protection measures:

1. Slip on clothing that covers as much skin as possible (no singlet tops).
2. Slop on SPF30+ broad spectrum sunscreen (remember to reapply it before going outside).
3. Slap on a wide brimmed hat that shades the head, face, neck and ears.
4. Seek shade.
5. Slide on some wraparound sunglasses (labelled AS 1067).

Be especially careful during the middle part of the day (between 10am - 2pm or 11am - 3pm daylight saving time) when the sun’s UV levels are most intense. You can find out UV levels and the times sun protection is needed by looking at the SunSmart UV Alert in the weather section of your daily newspaper or visit http://www.sunsmart.com.au/ultraviolet_radiation/sunsmart_uv_alert
