Dear Parents, Staff and Students,

We start by thanking all involved in our PTA Father’s Day breakfast last Friday morning. It was great to see the excitement as students led their dads off to look at their class-rooms. Everyone enjoyed the cereal and bacon and egg rolls on offer. A huge thanks goes to the band of PTA volunteers who did such a great job organising this event.

The breakfast was followed by an amazing Buddy Assembly. We would like to thank our special guests Wurundjeri Senior Elder, Mr Ron Jones and Miss Kylie Spencer for their insights into Aboriginal history. Thank you also to Shaelyn Connor for her performance of Irish dancing.

We wish all of our year 5/6 students involved in tomorrow’s Summer Round Robin the best of luck. Please note their has been a change in venue for Volleyball which will now be held at Killara Primary School.

iPad Program

This year we have successfully introduced our 1:1 iPad program ‘Igniting Curiosity’ at Years 5&6. Next week families of students currently in Year 4 will receive information about the program in 2014. This will also include details of an information evening to be held early next term.

Kismet Park Dress Code

Kismet Park observes a dress code that all students are expected to follow to promote a sense of belonging to and consequent pride in our school.

We value the important role parents play in the promotion of our uniform by ensuring all items are clearly labelled and insisting that children wear only approved items and keep their uniform in good condition. This means that school hats will not be covered in graffiti, torn or cut in any shape or form.

Key elements of our dress code are:

1. All children are required to wear a hat while outside during recess and lunch between September 1st and April 30th.
2. The only jewellery permitted are watches and sleepers or stud earrings (No other facial jewellery is permitted.)
3. No make up is permitted.
4. No Dying of hair in extreme colours (eg blues, greens) or extreme hair cuts

Be especially careful during the middle part of the day (between 10am - 2pm or 11am - 3pm daylight saving time) when the sun’s UV levels are most intense.

You can find out UV levels and the times sun protection is needed by looking at the SunSmart UV Alert in the weather section of your daily newspaper or visit http://www.sunsmart.com.au/ultraviolet_radiation/sunsmart_uv_alert.

SunSmart Reminder

No Hat No Play from today

From Saturday 1st of September 5 things to remember...

UV levels in Victoria are on the rise again so from September it will be time to grab your sun protection gear and do the SunSmart Countdown. Whenever UV levels reach 3 and above, sun protection is needed because that is when the sun can start to damage skin and eyes and lead to skin cancer. Use a combination of the following five sun protection measures:

1. Slip on clothing that covers as much skin as possible (no singlet tops).
2. Slop on SPF30+ broad spectrum sun-screen (remember to reapply it before going outside).
3. Slap on a wide brimmed hat that shades the head, face, neck and ears.
4. Seek shade.
5. Slide on some wraparound sunglasses (labelled AS 1067).

From Monday 3rd September our Sunsmart rule of ‘No Hat No Play’ will be strictly followed at recess and lunch breaks. Please ensure your child has their School Hat at school.

There was no founder of The Nook—it was man made.

There are 162 nature reserves in Sunbury.

There was a famous horse that raced on the Kismet Park Horse Track (also known as ‘Kismet Stud’) whose name was The Trump.

The Nook was Sunbury’s water supply but is now a waterhole.

Many famous people have lived in Sunbury. Most of them are past or present AFL players. Some of these people are; James Kelly, Cameron Guthrie, Mark Johnston and Cassi Van Den Dungen.
