Dear Parents, Staff and Students,

Congratulations to all on their great work during our ‘Better Buddies Maths Games Day’ last Friday. The day concluded with a fun filled assembly highlighted by the wonderful Year 3’s recitation of the ‘Mathemagical Maths’ song, Mrs Schumann’s ‘Heads and Tails’ game which was eventually won by Adam O’Brien from Prep T, and our choir’s impressive performance of ‘You’ve Got a Friend in Me’. We hope all those new skills learnt throughout the maths day will help families have a go at this week’s Maths Challenge on page 2.

This week we have presented two of our 2014 Information sessions during which we presented what Kismet Park PS has to offer including: an inclusive curriculum, extra-curricular activities, lunchtime programs, home-school partnerships and a high level of community involvement. It was pleasing to receive such positive comments from prospective parents regarding the curriculum on offer, student welfare programs, the tone of the school, level of student engagement and range of resources. We congratulate all — teachers, educational support officers, students and parent helpers on their great work.

Local Resident Traffic Surveys
Traffic surveys which were recently sent out to local residents are due to be returned by tomorrow, 31st May. Feedback received will be collated to continue School Council’s commitment to improve the traffic safety around our school. It would be appreciated if families living in streets around the school could encourage neighbours to complete and return their survey.
