## Pay using Qkr! at Kismet Park Primary School

The Qkr! app is available for families of students at Kismet Park Primary.

1. Qkr! can be downloaded for free from Apple's app store for iPhones (iPads should download the iPhone app) or from Google Play for Android phones and tablets.
2. After downloading the app and registering, simply scan the QR code on the left using the Qkr! Code scanner or type KISPPS after tapping the magnifying glass in the top right of the home screen of Qkr!, and then the app will always recognise you as part of Kismet Park Primary in future to make payments even easier.
3. When first accessing the school menu, you will be prompted to register your child. This allows you to make school orders on their behalf.
4. To make payments immediately why not download it today and take a look at our school on Qkr! NB: If you do not wish to order and pay for lunch orders via QKR!, you can still order in the traditional way via cash to the canteen.
