"BUILDING THE FOUNDATIONS FOR SUCCESS AND HAPPINESS"

Dear Parents,

As part of Kismet Park Primary School's Literacy program and National Book Week, we are celebrating with an incursion, '**Michael Salmon's Monster Show 2017**'. The 'Monster Show' is an interactive and entertaining session of speed cartooning and storytelling. Michael Salmon is a well-known author and illustrator, who has written over 175 books. Michael chats with students about using their imaginations, creating fantasy characters, scenes and stories... that they are then able to transfer into book format, storyboards, video and other media. He draws some of his well-known book characters, relates their funny 'back stories' and how they are first pictured.

The incursion aims to encourage students to develop their own creativity...through humour, simple advice and encouragement to read.

Students are welcome to bring along money to purchase books after their session. Michael Salmon is the author of fantastic books such as 'Who's Behind the Door?' and 'The Dinosaur Who Invented Things'.

Books will be available for purchase ranging from \$3-\$20.

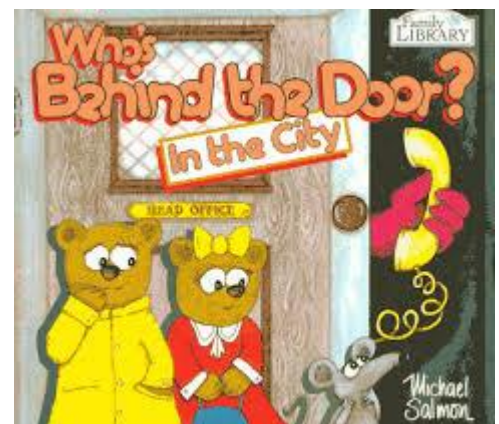

Parents are welcome to attend free of charge.

Incursion Details:

WHERE: Kismet Park Primary School Gymnasium

WHEN: Friday 11th August 2017

COST: \$4.00 per student which **MUST** accompany a signed permission envelope and returned to the class teacher **by Tuesday 8th August 2017**

Thank you,

Literacy Action Team
