

# Kismet Colour Challenge

Only 3 weeks to go for our Colour Challenge! We received our delivery of colour yesterday - 150 bottles! Compare this to last year when we only had 50, you can imagine how much more colourful the children will be!!!

We are also very excited to announce we have added 'ObstAcool' to the day's activity. The Obstacool Course is made up of a mix of inflatables including our feature attraction, Big Bopper that is 40m long! Along with this, there are walls, tunnels, commando nets and more!

But wait there is more.....

We would love you to raise as much money as you can so we have decided that the class that raises the most will get a **Surprise Celebration Day** in term 2. **The celebration could be a special lunch treat for the whole class, or maybe a trip to the local cinema.**

We also have a prize for the top three fundraising Kismet families. The three families who raise the most will each be awarded with a \$200 voucher to spend at the awesome Ashmore Palms Holiday Village on the Gold Coast.

**Don't forget that ALL** Donations and books are due back **NO LATER than the 29<sup>th</sup> of March** \*the day of the event\*

**And ALL** on line donations prizes must be submitted **NO LATER than Wednesday the 4<sup>th</sup> of April.**

Just a reminder to wear a white t-shirt to school on the day (if possible) to really see the effect of the colour powder.

To make the day run smoothly and successfully, we require a band of parent helpers. If you have a working with children's check, we would love your assistance. Please complete the slip below and return it to the office as soon as you can.

✂-----

I am excited to offer my assistance on the day of the Kismet Colour Challenge!
