KISMET PARK PRIMARY SCHOOL LAUNCHES NEW SCOOTER CLUB THANKS TO COMMUNITY GRANT

Kismet Park Primary School is thrilled to announce the launch of its new Scooter Club, made possible through the generous support of Sunbury Connected Communities.

The school has received a grant that funded the purchase of 10 scooters and helmets, providing students with an exciting new opportunity to participate in fun, active recreation during the school day.

“Our new Scooter Club will offer students a safe and engaging way to develop their confidence and coordination while enjoying a self-regulation outdoor physical activity with their peers” Says Sam Carlton Acting Principal.

Kismet Park Primary School is deeply excited about this amazing grant and the opportunities it will create for students. The new initiative supports the school's commitment to promoting student wellbeing, physical activity and positive engagement.

"We are deeply grateful to the Sunbury Connected Communities team for supporting our Scooter Club proposal and for their investment. We are excited to see the positive impact this initiative will have on our school community. This generous grant will provide our students with more opportunities to develop new skills and, most importantly, have fun" said Sam Carlton, Acting Principal of Kismet Park Primary School.

“Sunbury Connected Communities is proud to support Kismet Park Primary School’s new Scooter Club, helping students stay active, build confidence and enjoy safe, healthy fun together,” said Michael Osborne, representative of Sunbury Connected Communities.
