Thursday 19 March	Interschool Athletics Sports
Friday 20 March	P-2 Cross Country
Wednesday 23 March	Year 3-6 House Cross Country
Thursday 26 March	Easter Bonnet Parade
Friday 27 March	Colour Run

Dear Parents, Staff and Students,

Today a small group of students attended the 2020 Formula 1 Rolex Australian Grand Prix to participate in the Grand Prix STEM Challenge. The group was asked to design features to be added to a Formula One vehicle to make a winning autonomous race car. As one of the top ten entries the group pitched their concept to a judging panel of industry experts. We look forward to hearing about their experience and seeing their presentation at tomorrow morning's assembly.

SCHOOL PHOTOS

School Photos will be taken on Monday 16th March. All students are reminded to be in school uniform so that class photos are presented in the best possible way. Please remember to return your child and sibling photos order form by Monday 16th March. Orders can also be placed online at www.advancedlife.com.au

SCHOOL COUNCIL VACANCIES

As there were less nominations than vacancies at our recent election **we have two Casual Vacancies** for two year terms to fill. If you are interested in filling a vacancy please send an expression of interest with your name and contact details to the office marked 'School Council Casual Vacancy'. Our first meeting of the new council commences at 6:30pm on Monday 16th March. Please contact Glenn McConnell if you would like any further information.

PERSONAL HYGIENE

Everyone can protect against infections by practising good hand and respiratory hygiene. Here are some tips that we all can follow:

1. Cover your mouth and nose when coughing and sneezing with a tissue, or cough into your elbow.
2. Dispose of the tissue into a bin and then wash your hands afterwards.
3. Wash your hands regularly using soap and water, including after using the toilet, and before eating.

MATHLETICS AND READING EGGS INFORMATION SESSIONS

Thursday 19th March at 9:00am and 2:45pm

Mrs Goldsworthy will be holding information sessions to demonstrate how Mathletics and Reading Eggs can support your child's learning. During her presentation Mrs Goldsworthy will discuss the benefits of these programs which include:

- Students are engaged and motivated to learn through a game-like environment.
- Mathletics is adaptive, responding to student's individual strengths and weaknesses. Animated support guides students through concepts, acting like an online tutor.
- Reading Eggs focuses on letter sounds, phonics skills, sight words, reading simple sentences and introductory comprehension skills.

We have managed to secure an incredible discount subscription which you will be able to pay for via Compass. A detailed letter is available on Compass with further details about how to access the programs and payment details.

For more information about Mathletics, please visit <https://www.mathletics.com/au/>. For Reading Eggs, please visit <https://readingeggs.com.au/>.

SUNS OF THE WEST—MEN'S HEALTH PROGRAM

This is a FREE men's health program run by the Western Bulldogs Football Club and will kick off again in Sunbury in 2020.

When: March 23rd to Monday 1st June (excluding Easter Monday). 10 week program

Time: 6:30pm—8:30pm

Location: Kismet Park Primary School Gymnasium

Who for: Males living in Sunbury and surrounding suburbs

What to bring: A water bottle and comfortable clothes to exercise in

Registration and Information Night: Come along for a cuppa and to hear more about what's in store for our 10 week program. We can help you with your registration on the night and answer any questions you may have.

Where: Sunbury Community Health Centre on **Monday 16th March from 5:30—6:30pm**

COLOUR RUN IS COMING SOON!

On Friday 27th March all students are invited to complete a fun (and colourful) course featuring rainbows of colour, music, obstacles and water. This will be a lot of messy fun!

This is a fundraising event organised by the Kismet Park Primary Parents and Teachers Association (PTA). There is no entry fee, however students are encouraged to collect sponsorship from family and friends. All money raised from sponsorship will be used to support our school.

For every \$10 your child collects they will receive an entry in our Colour Fun Run lucky draw for a chance to win an amazing sport prize.

The student who raises the most from each sub school level will win the following prizes:

- *P-2 a bike
- *3-4 a scooter
- *5-6 a fitness watch

The class that raises the most money will win a Colour Fun Run victory lap plus a special treat. Stay tuned to see what this could be...

Donations close on **25/03/2020**. The winners of the Lucky Draw and highest fundraisers (individual and class) will be announced on Colour Fun Run Day!

HAY BALES NEEDED! We need straw hay bales for our

obstacle course on the last day of school. If you know where we can get some please phone the school. Ideally we would love 10 plus (the more the better).

EASTER BONNET PARADE

On Thursday 26th March we are holding a Prep—2 Easter Bonnet Parade at 9.15am in the Gym. Parents and families are invited to attend the parade.

The children are invited to make their Easter Bonnet at home and bring it ready to wear and show in the parade. Children can bring in their Easter bonnet on the day with them. The students will walk with the rest of their class around the Gym where other grades, families and Kismet staff will be cheering them on!

Message from Junior School Council

Junior School Council (JSC) is a group of 10 students from grade three to four who meet every week at lunch time on Tuesdays.

One of JSC's roles is to listen to student voice (ideas) about how to improve the school. If you have some suggestions about how Kismet Park can improve, please POST your ideas in the POSTPOX at the OFFICE. We look forward to reading your ideas and feedback.

WHO ARE YOU???

Mr and Mrs Sheehan would like to send out their thanks to two of Kismet Park students who found and returned something very valuable to them. We would love to know who you are??.... Please see Andrea or Deb in the office.

AUTOMATIC EXTERNAL DEFIBRILLATOR FUNDRAISER

We are fortunate to have community members (Rachael and Holly) supporting our school by initiating this fundraiser through Urban Lifesavers to help us raise funds for the installation of an AED. You can donate at the following link <https://www.mycase.com.au/page/222252/AED-for-Kismet-Park-Primary-School>

*Urban Lifesavers is a not-for-profit registered charity <https://www.urbanlifesavers.org.au/>

Thank you to those who have already donated. Please contact Glenn on 97444566 if you would like any further information.

STAR OF THE WEEK! <h2>Julie C</h2> For following Kismet Park P.S moto		<p>This week we have been busy little bees discovering, learning and playing during before and after school care. The children enjoyed a fun science experiment with Zac. All the children had an opportunity to cook vanilla cupcakes with Emily on Thursday which the children enjoyed. Thursday afternoon, the children helped Julie pick 3 bowls of cherry which will be used next week in the children's fresh fruit platter. The children also got their hands dirty digging weeds out. The children asked lots of questions like, why can't we eat the green tomatoes? and why some tomatoes had holes in them. It was great to see the children interested in the garden.</p> <p>Join us at the service for some awesome and messy science experiments and delicious healthy treats.</p> <p>Julie Service Coordinator</p>

STAR OF THE WEEK!

Tyler

For arriving on time everyday this term. Keep up the great work!

Wow! What a busy week we have had the children have been busy making the Extendiverse game which is nearly finished, being involved in the drawing competition and playing group games like sliders. On Tuesday, the children helped Julie make muffins which they later ate for afternoon tea. On Thursday, the children made slime while having the opportunity to play with it.

On Tuesday the 17th of March at 4:00pm, we will be holding an open afternoon where families are more than welcome to participate in our program. We will have face painting, the saints basketball team holding drills and a very special visit from Gilbert our mascot. There will also be a special afternoon tea. Please come down and say hello whether you attend the service or not.

Julie
Service Coordinator

ARE YOU ELIGIBLE FOR CSEF? (School funding)

Criteria 1 – Eligibility

To be eligible for the fund, a parent or legal guardian of a student attending a registered Government or non-government Victorian primary or secondary school must:

* A special consideration eligibility category also exists. For more information, see: www.education.vic.gov.au/csef

Parents who receive a Carer Allowance on behalf of a child, or any other benefit or allowance not income tested by Centrelink, are not eligible for the CSEF unless they also comply with one of (a) or (b) above.

Criteria 2 - Be of school age and attend school in Victoria

School is compulsory for all Victorian children aged between six and 17 years of age inclusive.

For the purposes of CSEF, students may be eligible for assistance if they attend a Victorian registered primary or secondary school. Typically, these students are aged between five and 18 years inclusive.

CSEF is not payable to students attending pre-school, kindergarten, home schooled, or TAFE.

CSEF payment amount

The CSEF is an annual payment to the school to be used towards camps, sports and/or excursion expenses for the benefit of the eligible student.

- Primary school student rate: \$125 per year.

The CSEF is paid directly to your child's school and will be allocated by the school towards camps, sports and/or excursion costs for your child.

HUME CITY COUNCIL

Leisure Programs for your children to stay fit and active within your community.

BOXFIT for Kids classes give participants the best aspects of learning to box, that focus on non-contact drills, fitness, strength building exercises and working with partners. The classes are fun and well-structured in a relaxed atmosphere.

TAEKWONDO 'Just for Fun' Offers classes instructed by a qualified Taekwondo coach in a fun and relaxed environment that promotes physical activity for your child. We do not operate a grading system - it's just for fun!

DANCE CLASSES: Classes are based on learning different styles of dance to the latest music releases, working on technique and movement that enhances skills

SINGSTARS: A fun and exciting new program that teaches singing all in the one class. Our classes will make you feel good enrich lives and it's fun, what more can you ask for?

* Private singing lessons can be arranged is required.

ACROBATICS: Our acrobatics classes are taught using artistic gymnastic tumbling techniques and also include elements of partner balancing, trampette work and contortion. Acrobatic classes help dancers build upper body strength, agility and flexibility which can be beneficial in other dance genres. Our acrobatics classes are divided on skill base rather than age to allow for students to work to their fullest potential.

For more information please visit: www.hume.vic.gov.au/leisureprograms

Or call Leanne Cacoyiannis on 9205 2513.

Strong Women Raising Strong Girls

An Event for Mothers and Daughters aged 8-12

Our 2-hour interactive workshop covers the following topics:

- Knowing yourself
 - Friendship
- Finding your voice
 - Body image
 - Bullying
 - Social media

'I don't want my daughter to follow in my footsteps. I want her to walk the path beside me and go even further than I could have ever dreamed.'

Parenting young girls is hard work. Our girls are facing pressure to look a certain way, younger than ever before.

This workshop will give both you and your daughter strategies and skills to develop and maintain a peaceful and harmonious relationship with your mind and body.
