CHILD SAFETY OFFICER
Glenn McConnell

Please speak with Ciara if you have any concerns at all regarding a child's wellbeing or safety.

Dear Families,

What a great start we have had to Semester 2! All of the students have settled in well and are enjoying being back in class with their friends. Our staff are well rested and looking forward to an exciting Term 3.

We have had some changes to our leadership team this term. This means that I am now in the position of Acting Assistant Principal for term 3 and are very excited about this opportunity. Replacing me in the classroom are two experienced teachers, Teresa Gattellaro and Jessica Stevens. Teresa and Jess are already enjoying their time in 5/6S and look forward to being part of the school community for this time.

I look forward to working with the Kismet Park Community in my role as Acting Assistant Principal and appreciate the positive feedback I have already received from many.

Regards

Ciara Stewart

COUNCIL WORK on MCEWEN DRIVE

Late in term 2, Hume City council began work on resurfacing the car park. Obviously the works is not complete and this has affected the parking situation for morning drop off and afternoon pick up. We have not been given any details or time line to when this works will be complete but it is looking like it won't be too much longer.

Hume City Council have also begun more road works on Mc Ewen Drive. This has become very inconvenient but is out of our control. Hume City Council provide traffic management in the morning and have ensured our communities safety by providing an alternative 'footpath' for the afternoon. We appreciate your patience and flexibility during this time.

THREE WAY CONFERENCES—PUPIL FREE DAY 29 July

On our upcoming curriculum day on Thursday 29 July we will be holding Three Way Conferences between 10:30am and 6:30pm. Parents / carers will be invited to book a 15 minute timeslot to meet with their child's teacher and child to discuss their current and future learning. Students do not attend school on this day—they only attend the 15 minute Three Way Conference with their parent and teacher.

What is a Three Conference ? A **3-Way Conference** actively involves parents, students and teachers reflecting on student growth as a learner, while acknowledging the most important participants in the learning process – student, teacher and parent/carer. The student facilitates the **conference** and is supported by the teacher when needed.

Three-way conferences strengthen the home-school partnership and allow students to see their parents and teacher working together with them. The student can provide information to clarify what they have learnt, what are the next steps in their learning, and what progress they are making towards this. The student facilitates the conference and is supported by the teacher when needed. Throughout the conference, parents and the teacher are encouraged to ask questions, provide feedback and encourage the student and to share their thoughts and ideas on what is being presented. It's an opportunity to celebrate the student's achievements and for students to share their learning goals and strategies to achieve them. Our Three-Way conferences will be held between 10:30am and 6:30pm on Thursday 29th July. It is extremely important that you book your time on Compass <https://kismetparkps-vic.compass.education> by **4:00pm TUESDAY 27 JULY**. All families have the opportunity to book a time with a specialist teacher, but this is optional.

CURRICULUM DAY and EXTEND

Tuesday the 29th of July is a curriculum day. Extend are offering care on this day for the families that require it. Bookings for care can be made at <https://www.lookedafter.com/dashboard/schools/KPPS3429>.

CONGRATULATIONS MICHELLE ANDERSON!

We are so happy to announce on behalf of Michelle Anderson the safe arrival of her beautiful baby boy, Brodie Harrison Woolley.

Brodie was welcomed into the world on Tuesday 6th July, measuring 53cm. A HUGE congratulations to Michelle & Sam. We all look forward to meeting Brodie one day soon. Enjoy your baby bubble! X

LAND WHERE MY FEET STAND

15th - 27th July

EXHIBITION

FREE

"The Land Where My Feet Stand" is a collaborative exhibition where we asked individuals of all ages to take photos of their feet standing on the land so that we can visually see the many lives that are uniquely different but have one thing in common: they all stand on the land now known as Sunbury in the Kulin Nation country.

This exhibition, designed and installed by Sunbury Downs College year 11 students will engage all your senses and bring you to a new understanding of the Wurrundjeri people's love for their land and how our stories merge.
