

KISMET PARK PRIMARY SCHOOL VALUES

Our Learning community is committed to all students achieving personal excellence through the positive relationships that we foster between staff, parents and students.

The following values guide us ever day;

RESPECT: Demonstrating behaviours that promote positive relationships

INTEGRITY: Honest and open communication between community members

CONFIDENCE: Having confidence in ourselves and others in our approach to new and familiar challenges

COOPERATION: Working and learning together to achieve shared goals

LEARNING: Learning how to know, to think, to do and to live together
