KISMET PARK PRIMARY SCHOOL LAUNCHES NEW SPONSORSHIP PROGRAM

Kismet Park Primary School are thrilled to officially launch our new Positive Futures Sponsorship Program! This exciting initiative opens the door for local businesses and community members to directly invest in the future of Kismet Park Primary School.

Kismet Park PS are now offering sponsorship benefits across the school year with opportunities to promote businesses at all school events.

“Our new sponsorship program will support the school to Enhance Student Learning and Safety through Targeted Infrastructure Upgrades” Says Sam Carlton Acting Principal.

The new Sponsorship Program is designed to:

- Maximise learning, growth and achievement for all students
- Strengthen and enhance school and community partnerships
- Provide improved facilities for students
- Further embed a school wide approach to improving student health, resilience and social and emotional well-being

We’re calling on the Sunbury community to get behind our program and become proud supporters of the next generation of students and leaders.

Sponsorship packages confirmed in Term 2 will continue up to the last day of school in 2025 at which point options for renewal will be shared for 2026.

If you or someone you know is interested in sponsoring our school, we invite you to view the full sponsorship packages available on our website:
